=====

This is to inform you that on 25/07/2024 at around 11:30 am some unknown miscreants have vandalized our property at Tarkhola premises. They forcefully entered office premises and shattered office windows by stone, broke a vehicle glass and attempted assault on our staff. All our staff working at this office were traumatized and fled out anticipating their life risk. They are still shaken up and hesitant to join office. However, intervention by Police has returned some sanity to the situation.

We request you to take note of the above and kindly do the needful to take remedial action so that reoccurrence of such incidents be avoided. We are here to do project of National interest and creation of such type of fearful environment is hampering the progress of the project.

Yours faithfully,

For ITD Cementation India Limited
